Terms & Conditions for LPU - Scholarship/ Financial Aid and its different phases

1) Scholarship/ Financial Aid and different phases of Fee/ Scholarship are applicable for Indian Applicants only

2) Grant of Scholarship/ Financial Aid in different phases is subject to prevalence of scheme at the time of receipt of application and is further subject to verification and authentication of the information, certificates and other documents as required by the University.

3) Percentage in the Qualifying examination represents percentage of aggregate marks. In case of Programmes after 10th and 12th, calculation of aggregate marks will be done considering best five subjects (with highest marks) in the qualifying examination. However in case the concerned board declares student pass with less than five subjects in 10th/12th, calculation of aggregate marks will be done considering the number of subjects (with highest marks) specified by the respective Board only.

   Important: In all situations, the marks obtained in subject(s) prescribed under the respective eligibility criteria of LPU for the concerned Programme will be taken into account for calculation of aggregate marks. Thus in such conditions, eligibility criteria of Lovely Professional University will prevail over concerned board or equivalent body. This clause is applicable for calculating eligibility as well as scholarship. If candidate is not able to satisfy the eligibility criteria as mentioned above, then marks of all the subjects mentioned in DMC/ Score Card of qualifying exam may be considered for calculating aggregate marks for eligibility only but not for offering scholarship. For details, refer the head 'Eligibility' under 'General Guidelines for Admissions etc.' in Part C of Prospectus 2025.

4) Applicants, who have scored 10 CGPA in 10th or 10+2 (12th) class of any board, will be considered for scholarship equivalent to that of Bracket-I scholarship (on the basis of eligibility qualification).

It may be offered on different basis like Scholarship on the basis of Sports, on the basis of cultural performance or on the basis of marks in qualifying exam etc. Applicant can claim the Scholarship/ Financial Aid on any one basis and the claim must be made at the time of filing Application for Admissions or before the date prescribed by the University subject to the last date of Admission with Scholarship/ Financial Aid for the concerned Programme. In case applicant has opted Scholarship/ Financial Aid of one type (i.e. on one basis) or has not opted for it, then any change in the Scholarship (type/ bracket/ amount) so claimed will not be allowed at later stage.

6) Scholarship/ Financial Aid will be awarded to the candidate only after the verification of original documents. In case candidate is not able to provide the documents within the stipulated time as prescribed by the university, subject to maximum of 6 months from the last date of admission, then scholarship/ financial aid will not be awarded or may be cancelled, if already awarded.

7) In case, an applicant is eligible for Scholarship/ Financial Aid as well as for any other monetary benefit under any other scheme or policy of LPU, then the applicant will have to opt for only one scheme of his/her choice.

8) In addition to LPU Scholarship/ Financial Aid, if a candidate gets scholarship from a Government/ NGO/ any other organization, then LPU Scholarship/ Financial Aid will be restricted to amount obtained by subtracting outer agency Scholarship (from a Government/ NGO/ any other organization) from total applicable fees (including Examination fee and charges for residential/transport/ laundry facility/ meal plan, If any, subject to maximum for Non-AC three seater residential facility). Total Applicable fee will be excluding any scholarship amount offered by University.

   Example: Assuming Fee of B.Tech. Programme as Rs. 140000/- per semester (i.e. Rs. 2,80,000/- per year), Exam fee as Rs. 9000 (for two semesters) and the Residential fee for two seater Non-AC Residential Facility (Boys) as Rs. 110000/- per academic session and charges for Mess Plan and Laundry are Rs. 35000 and Rs. 5000/ respectively. If a candidate (boy)/enrolled in B.Tech. with a 2 seater Non-AC residential facility receives a scholarship of scholarship of Rs 140000/- per year at the time of admission and later on also gets a Scholarship of Rs. 3,00,000/- per year from outer agency or equivalent, then the maximum entitlement for scholarship offered by LPU for such candidate shall be Rs. 119,000/- per year (instead of Rs. 96,000 per year), obtained by subtracting Scholarship of Outer agency i.e. 3,00,000/- from total fee of the programme i.e. Rs. 1,19,000/- (2,80,000/- + 90,000/- + 35,000/- + 5000/- + 9000/- = 4,19,000/-).

   Important point is that for calculating total fee of the candidate, fee of 2-Seater Non-AC residential facility i.e. Rs. 110,000/- per year has not been considered rather Rs. 90,000/- per year (3 seater Non-AC residential facility) has been considered as fixed as maximum limit by the University.
